Thank you for taking the time to express your concerns regarding the preservation of lands surrounding Eramosa Karst in Upper Stoney Creek.

As noted in your letter, the Ontario Government must act to preserve the surrounding land and protect it from development as they did with the Karst lands in 2006.

The Ontario Realty Corporation is a part of the Government of Ontario. In light of this, I have forwarded a copy of this letter to your Member of Provincial Parliament, Tim Hudak.

Thank you once again for taking the time to raise this important issue with me. If you have any further questions or concerns do not hesitate to contact my office.

Yours truly, /

Dean Allison, M.P.
